

INFUSION TEAMS – LINCOLN, NE!

Christie and I had the opportunity to be involved with helping our six year old church plant in Lincoln, NE a couple of weeks ago.

The infusion team idea springs from two needs: the need to support new church plants by infusing them with fresh people for a short time and also the need to be training our students what a church plant is like. The Rock sent three teams over the span of three weeks to serve, share the gospel and encourage the church there.

About 16 of us were there over the weekend and three of us stayed for the week to extend the time. We took the opportunity to take surveys of people we met on campus, paint at a homeless shelter and hold an evangelistic bible study for those that we met.

Please pray with us that the church there will be able to make the most of our short term efforts!

QUICK FACTS!

Thanks to you, our financial support is more than covering our bills. We're at 94% of our total goal.

ISU classed begin Monday, Aug. 20th. They are expecting almost 6,000 new students this fall.

The first two weeks of the fall semester is the most important time of year for us to develop new friendships and share the gospel.

The Ames population is over 50,000 and the average age is about 23.

We've got a big job to do!

ON PUBLIC SPEAKING...

I have been given several chances to develop my skills as a public speaker over the last several months both at the Rock on Friday night and a couple times at Stonebrook Church as well.

I enjoy the whole process of studying out a topic or a book of the Bible, working hard to pray and determine what God would have to say to my audience on that material, and presenting my thoughts to the group.

Four other speakers and I have been tag teaming it through the gospel of Mark since January and we are nearing the end. It has been a great study and I have learned a lot along with the students.

PERENNIAL PRAYER NEED!

We desperately need God to move if we are to continue to influence ISU for the gospel.

1. Please pray that we meet freshmen Christians who will be willing to join with us in reaching our campus throughout their college career and longer.
2. Please pray that we will be bold in sharing the gospel and that God would bless our efforts at sowing abundantly.
3. Finally, please pray that we would see a harvest of college students brought in, recently saved by grace and willing to be life-long ambassadors for Christ.
